Edit #1: Add Federal Civil Rights Laws

The City of Saint Paul complies with Federal civil rights laws and is committed to providing its programs and services without discrimination in accordance with:

- **Title VI of the Civil Rights Act of 1964**, which prohibits discrimination based on race, color, or national origin (including language).
- **Section 504 of the Rehabilitation Act of 1973**, which prohibits discrimination based on disability.
- **Title IX of the Education Amendments Act of 1972**, which prohibits discrimination based on sex in education programs or activities.
- **Age Discrimination Act of 1975**, which prohibits discrimination based on age.
- **U.S. Department of Homeland Security regulation 6 C.F.R. Part 19**, which prohibits discrimination based on religion in social service programs.

Edit #2: Amend Definition of Qualified Person with a Disability

Edit the definition in Chapter 183 of a Qualified person with a disability to align with the Federal definition.

- For purposes of this definition, disability excludes any condition resulting from **current or active use of** alcohol or drug abuse which prevents a person from performing the essential functions of the job in question or constitutes a direct threat to the health or safety of others or would result in substantial physical damage to or unlawful conversion of the property of others.

Edit #3: People Centered Language

Change all existing references in Chapter 183 from 'disabled person' to people-centered language of 'people with disabilities.'

Edit #4: Use Gender Neutral Language

Change all existing references to gender in Chapter 183 to gender neutral language.
