Re: Remove or Repair of the Structure at 887 CHARLES AVENUE

Dear Kyle Runbeck:

This is to confirm that at the Legislative Hearing on August 13, 2024, at which we could not reach you, Legislative Hearing Officer Marcia Moermond continued the matter to Legislative Hearing on **Tuesday, September 10, 2024 at 9 am in room 330 City Hall/Courthouse** for review of work plan, bids, and financing.

By no later than close of business September 5 please:

- 1. submit evidence of financing sufficient to complete the rehabilitation.** Staff estimates costs to exceed \$75,000. If total for bids are more than 20% less than staff estimate, a high level of detail will be required. Financing could be business or personal accounts, a line of credit, or construction loan. Other types of financing will be reviewed on a case by case basis;
- 2. submit an affidavit indicating the finances will be dedicated to completing the project** and not diverted until a code compliance certificate is issued;
- 3. submit work plan, sworn construction statement, or scope of work.** This should include **signed** subcontractor bids which address all items in the Code Compliance Inspection Report and a **schedule** for completion of the project; and
- 4. the property must be maintained.**

If you would like samples of these documents please let me know. If you have any questions, please contact me at 651-266-8585

Sincerely,

/s/
