Hi Kelley,

You have a hearing scheduled on November 10, 2025 via telephone hearing between 9am-11am to contest your assessments; however, due to the cyber-attack and slow ongoing data recovery from the Dept of Safety & Inspections, we are still unable to gather information related to these excessive inspection fees. Therefore, your Legislative Hearing date will need to be rescheduled again. Let me know if **March 10, 2026** works for you. If so, we will call you into the hearing at your # listed below between 10am-noon. Please note that this fee is on hold until the outcome of the hearing and will NOT be processed to your 2026 Property Taxes, will NOT accrue interest, and will NOT be invoiced yet.

I apologize for the inconvenience, but also note that there is nothing we can do at our end until DSI's system is up and running.

Hello,

Can you send me instructions on what to have prepared for the November 10 phone call?

And the public hearing on January 21?

Hi Kelley,

This is helpful thank you, I see the pending boarding assessment for \$474 I assume you're referring to. It isn't a problem to reschedule. We are having to push many of these out as we are still unable to access the information we need due to the [City's Digital security incident](#). Please confirm the best number to reach you between 10 am and 12 pm, and once I speak to the hearing coordinator either her or myself will reach out with the date of your hearing.

Thanks so much,
Joanna
