We have a high volume of cases on 2/18 and likely we will run behind. Please let me know if you can make 2/20 date otherwise, I can reschedule to March 4th.

Subject: Contesting assessment

You don't often get email from josiah.overfors@gmail.com. Learn why this is important

Hello, I am contesting the $440 assessment against my property at 900 Laurel Ave, St. Paul 55104 per the letter I received, file # J2511R and Assessment# 258519 on parcel id# 02-28-23-24-0130.

I have proof that the area was cleared within the allotted time provided when I received notice to clear the alleyway. I put in all the work to clear shrubbery and debris and still received this assessment, which is unacceptable.

Please advise if there is anything else I need to provide and please send the information to join the legislative hearing on Feb 18th and/or city council meeting on April 2nd so this assessment can be removed.

Thank you,

Josiah Overfors
