Hi,

We own 924 Iglehart Avenue and after further review you have been billing us for 2 garbage carts even though we've only had 1 garbage cart since 4-1-2025. Can you please rebill us so its the correct amount of garbage carts?

Thank you.

Internal note

PO reports they only have one cart at property and have since the City took over billing.

Hello Dan,

This is a follow-up to your report of a garbage billing error for 924 Iglehart Ave. It looks like this is a 2-unit property. We show 2 small, weekly carts at the property. Up until January 1, multi-unit properties were required to have 1 garbage cart per unit, so 2 carts would make sense. If there is only 1 cart at the property, we can adjust the Quarter 1 (Jan-Mar) bill and provide a new amount to pay. We might be able to go back and provide a credit to the Quarter 4 (Oct-Dec) bill, but the billing adjustment period has ended so it will take more time. I have adjusted the cart in our system so future billing is accurate. I'm also forwarding this issue to our billing specialist who can work on the billing adjustments for you. You should hear from her within 1 week.

NOTE: Since you only have 1 cart for a 2-unit property, we need to enroll the property in the new Cart Sharing Program which will allow you to share 1 cart between the 2 units moving forward. I will sign you up and send an email confirmation shortly.

Thank you,

Melanie

Internal note

We were billing for 35(2) but PO reports 35(1) at property. Enrolled them in Cart Sharing. Added to Q2 Corrections to Base. [Jillian Barden](#) Please adjust Q1 and Q4 bills and let PO know new amounts.

Hi Melanie, we're ALSO looking for a credit for quarter 2 which is 4/1/2025 to 6/30/205 AND quarter 3 which is 7/1/2025 to 9/30/2025. We've NEVER had 2 carts at our property! Thank you.

:~)

Dan,

We can only go back as far as Quarter 4 and even that one will be challenging because the adjustment period has already closed. Any prior bills have been certified by City Council. The key is to get in touch with us right away when you suspect an error. Our billing specialist, Jill, will address the billing adjustments with you. You should hear from her within 1 week.

Thank you,

Melanie

But Melianie we never received a bill from the City of St.Paul so how would we know how to dispute it? Can't you just give us a discount moving forward to make up for it? There must be something you can do. Getting billed for 2 cans when you only had 1 can just isn't right.
