May 27, 2025

Saint Paul Police Foundation
161 Rondo Ave, Suite 927
Saint Paul, MN 55103

The Saint Paul Police Foundation applied for the Schulze Foundation Grant for the amount of $20,000 in the Fall of 2024 and the application was approved in the Spring of 2025. We request this grant to provide the SPPD funding for the following programs for the 2025 year:

- Summer Soccer Program
- Explorers Program
- Rec Check
- Junior Police Academies

The Schulze Foundation grant provides funds for these programs by being used for operating costs including materials, transportation and general costs associated with the continuation of these important programs. These programs are already well established in the community, but financial support for staff and materials is required to keep them going to pay internal staff and purchase supplies and transportation.

The transfer of this donation was approved by the foundation on 05/23/2025 in the amount of $20,000.00

Sincerely,

Kristen Sheehan
