I just want to clarify, This means you will not expect payment for 1209 (194.95) Dayton and 836 Rose (25.83) when we pay your invoice?

Can you please transfer those credits from 334 Edmund and 368 Thomas to the assessments for 836 Rose and 1209 Dayton, and add the remaining balance of 26.63 to the 836 Rose account. This way, he will not have anything due for Q4 for Rose.

Can you clarify? What do you mean when you say an overpayment was made? Was it made recently, or has there been credit balances sitting in these two accounts since 4.28.22 and 21.27.22?

How much is the credit balance on the other account you found?

What are the service levels for each account?

It is clear that he did not intend to have such large credit balances carry over and still end up being assessed.

Can you remove 836 Rose Ave assessment of \$25.83 and the 1209 Dayton Ave assessment of \$194.95, and take it from his \$500+ worth of credits?

He sends checks into the other haulers the same way and does not have billing issues.

**Ticket Comments:**

PO sent in 1 check to pay for 4 accounts. PO also just received the Letter of Haring Ratification, prompting another call in.

My original inquiry a few weeks ago, I stated he sent \$100 to you, that was a typo. He sent a \$500 check to you to be dispersed among his accounts.

What account did the \$500 get applied to, and how much of a credit is sitting there currently?

**Please provide the following information:**

- Name and mailing address on the account
- Itemized breakdown of invoice
- Payment history
- Contact with property owner

Thank you,

**Jillian**
