RE: Liquor On-Sale 100 Seats or Less; Liquor Outdoor Service Area (Patio); Liquor On-Sale–Sunday; Gambling Location license held by A & M Bar and Grill LLC d/b/a St Paul Saloon for the premises located at 1045 Hudson Road.
License ID #20160001981

Dear Mr. Rivero:

Please take notice that this matter has been set on the agenda for a City Council meeting on **Wednesday, April 8, 2026, at 3:30 p.m.** in the City Council Chambers, Third Floor, Saint Paul City Hall and Ramsey County Courthouse, 15 West Kellogg Boulevard, St. Paul, MN 55102. You will have the opportunity to present to City Council. If you wish to speak at the hearing remotely, please call 612-315-7905 to Pre-register. If you wish to provide your comments in writing, or provide other written materials, they can be submitted to Contact-Council@ci.stpaul.mn.us and CouncilHearing@ci.stpaul.mn.us. If you wish to leave your comments by voicemail, please do so by calling 651-266-6805. Comments and materials must be submitted by 12:00 p.m. on the day before the meeting. If you have any questions regarding this Notice of Council Hearing, please call me at 651-266-8548. You may view City Council meetings on local cable 18 or view online at <https://stpaul.legistar.com/Calendar.aspx>. If this date does not work for you, please let me know immediately.

On March 3, 2026, the City Attorney's Office mailed you a letter titled Notice of Violation and Request for Imposition of \$500 Matrix Penalty and Amended Conditions.

On March 11, 2026, you sent an email to the Department of Safety and Inspections ("Department") and the City Attorney's Office that you were not contesting the facts related to the incident but were requesting an opportunity to address Council regarding the penalty. The proposed resolution and supporting documents are attached.

This is an uncontested matter. On November 1, 2025, at 11:45 p.m., the Saint Paul Police Department ("SPPD") responded to a report of shots fired at 1045 Hudson Road ("Licensed Premises"). An adult male was

injured with a gunshot wound to his left leg. He was taken to the hospital with non-life-threatening injuries. Officers were told by the bartender that she had stepped out to take a smoke break, and when she came back inside the Licensed Premises, she heard gunshots. Officers learned that two males exchanged gunfire inside the Licensed Premises. Officers located several spent casings on the ground around the bar area. Officers observed damage to machines and entertainment equipment in the Licensed Premises. Outside, officers located more spent casings on the sidewalk and observed several vehicles that had sustained damage from gunshots. Officers were able to obtain video surveillance footage of the incident. Upon reviewing the footage, SPPD observed a man who appeared to be working as a security guard near the entrance of the Licensed Premises. The man did not have any visible markings or uniform to indicate that he was a security guard. The video surveillance footage showed the metal detector flashing red lights several times over the course of the evening when patrons entered, indicating the presence of a possible weapon on the patron, prior to the gunshots inside the Licensed Premises. The man working as a security guard made no attempt to stop anyone that walked through the metal detector, including those patrons that caused the metal detector to flash red lights.

The Department will recommend a \$500 matrix penalty and proposed amended license conditions to the City Council at the hearing on **Wednesday, April 8, 2026, at 3:30 p.m.** The proposed resolution and supporting documents are included with this notice.

Sincerely,

Monica Shaffer

Synopsis :

DSI Investigation related to SPPD case number 25-201572. Incident is related to Cheers Pub and are under review by the Department of Safety & Inspection & the St. Paul City Attorney's Office for possible Adverse Action related to the business licensing conditions.

Narrative :

I, Sgt. M. Arntzen am currently assigned to the Department of Safety & Inspection, located at 375 Jackson St. As part of my regular duties, I assist DSI Licensing Inspectors with monitoring, reviewing and recording activities at businesses that pertain to their current licensing conditions. This is done to ensure that businesses are operating within the licensing conditions they are mandated to follow by the City of St. Paul and that public safety is regarded while doing so. This DSI investigation is related to SPPD case number 25201572.

On 11/1/2025 at 2344 hours officers responded to 1045 Hudson (St. Paul Saloon) for a report of a shots fired. Officers arrived on scene and located an adult male with a gun shot wound to the left leg. Officers provided first aid until medics arrived. The male was transported to the hospital with non life threatening injuries.

The bartender stated that the bar was not busy and that there were no problems. She decided to step out to the back for a cigarette break. As soon as she arrived at the back of the bar, she heard two shots fired from inside. Moments later, she heard four more shots fired from the front of the bar. She then observed customers running and exiting the bar in a panic.

Officers walked into the bar and observed evidence of the shots fired inside. The area of interest was the southern portion of the bar closest to Hudson Rd. There were several spent casings on the ground on the west side of the countertop bar and behind the bar on the employee side. Officers also observed fresh damage from gunfire to several machines/entertainment equipment that were inside the bar east and south of the front door entrance.

Officers also observed more spent casings on the sidewalk to the west of the bar and several vehicles on the north side of Hudson Rd that sustained damage from being hit with gunfire.

INCIDENT REPORT

SAINT PAUL POLICE DEPARTMENT

Synopsis :

Narrative :

On 11/3/25 I was made aware of an incident that occurred on 11/1/25 at 1045 Hudson, St. Paul Saloon. On 11/1/2025 at 2344 hours officers responded to the 1000 block of Hudson on report of a shots fired. Officers arrived on scene and located an adult male with a gun shot wound to the left leg. Officers provided first aid until medics arrived. The male was transported to the hospital with non life threatening injuries. Officers learned that two males exchanged gunfire inside the bar.

The St Paul Saloon had 57 calls for service from 11/3/24 to 11/3/25. Most were labeled 'disturbance' or quality of life life type calls. There were two coded 'aggravated assaults' and two 'weapons'.

After reviewing all the videos provided by the St. Paul Saloon, I have found one violation. Under condition #2 security must be clearly identifiable. on 11/3/2025 there was a male who appeared to be a security guard near the front entry. he was wearing all black. there were no security markings or special uniform being worn. It should be noted: Although having a metal detector is not in their conditions, the bar does have one inside the front entry. The man who appeared to be the security guard, made no attempt to stop anyone that walked through and set off the metal detector. This occurred multiple times on the video that night.

A copy of this report was forwarded to DSI Licensing Manager Eric Hudak and DSI Assistant City Attorney Therese Skarda for review.
