7.2. City Permitted Encroachments. The City Permitted Encroachments shall at all times be used for lawful purposes to benefit each Tract.

7.3. Building Encroachments. The Owners of the Tracts hereby grant to each other easements for any nonmaterial building encroachments that may occur upon the adjoining Tract by reason of construction or renovation or from sag or variance occurring after the construction or renovation. The grant of easements for these encroachments does not excuse any Owner from exercising diligence to construct or renovate within its own Tract.

ARTICLE VIII TEMPORARY EASEMENTS

8.1. Temporary Construction Easement. Declarant hereby establishes and creates for the use and benefit of the HRA Tract a temporary easement on, over and across the Declarant Tracts that is needed for the purposes of construction and renovation work on the HRA Tract ("Construction Easement"). 9.1 Maintenance and Repairs. The Owners of each Tract shall, at their own cost, take good care of their buildings and properties and shall at all times keep and maintain the same in commercially reasonable condition. The Owners of each Tract shall at all times make all repairs, interior and exterior, structural and non-structurally, as necessary or as ordered by City code enforcement officers. The Owners of each Tract shall also keep their Tracts at all times in full compliance with all applicable laws, codes, ordinances and rules.

9.2 Alterations. Each Owner may make such alterations to its buildings and improvements as it may from time to time determine without the consent or approval of the other Owner, subject to all other applicable provisions of this Declaration. All alterations shall be made with reasonable diligence, in a commercially reasonable manner, and in full compliance with all permits and applicable laws, codes, ordinances and rules.

9.3 Party Walls. Declarant hereby establishes and creates for the mutual benefit of the Tracts over and on the Property perpetual non-exclusive easements to maintain, repair and replace the Party Walls. The Owners of the Tracts shall maintain the Party Walls facing or exposed to that Owner's Tract in compliance with all applicable building and fire code rules and regulations, and in a good and safe condition. The costs of repairs and maintenance of the Party Walls shall be borne by the Owners of the Tracts making such repairs and maintenance work, unless the Party Walls are damaged or destroyed through act or omission of either Owner or its employees, agents, customers or invitees (collectively the "Negligent Owner"), and in that case the Negligent Owner shall be solely responsible for the resulting costs of repair or replacement even if the repair or replacement is undertaken by the other non-Negligent Owner. If the Party Walls are destroyed or damaged by any causes not attributable to the negligence or willful conduct of either Owner, then either Owner may repair and restore the Party Walls, and the non-repairing Owner shall pay the repairing Owner fifty percent (50%) of the costs of such repair and restoration. Neither Owner shall make any alteration to the Party Walls that will weaken or adversely affect the structural integrity or carrying capacity of the Party Walls or cause the Party Walls to be in violation of applicable government requirements.

9.4 Seventh Place Cost Sharing. From and after the date hereof, the Owners of each of the Tracts shall have the obligations to cover all costs of maintenance of the Seventh Place Mall area on the south side of the Property based on either (a) their proportionate share of the total square footage of all Tracts if no allocation of such costs is made in recorded documents covering the Property; or (b) the share allocated in recorded agreements covering the Property regarding such maintenance obligations.

**ARTICLE X
RUNNING OF BENEFITS AND BURDENS**

10.1. Binding Effect. All provisions of this Declaration shall run with the Tracts and shall inure to the benefit of and be binding upon the Owners of the Tracts, and any portions thereof, and their respective successors and assigns.

**ARTICLE XI
RIGHT OF ACCESS and NON-EXCLUSIVE USE**

11.1. Right of Access. The granting of the Easements includes the right of the Owners of the benefited Tract and their contractors, agents, tenants, customers, invitees, and employees to have access to the Easement Areas for the purpose of exercising the rights and easements set forth in this Declaration.

11.2. Non-Exclusive Use. The use of the Easements by the Owners of the benefited Tracts shall not be exclusive unless specifically noted as being exclusive. Except for the easement rights expressly established in this Declaration, all rights in and to the Easement Areas are hereby reserved to the Owner of the respective Tract burdened by the Easements, and such Owner may utilize the surface, above surface and subsurface of the Easement Areas for all uses and purposes that do not materially interfere with the rights and easements expressly created in this Declaration, and granting of subsequent easements over the Easement Areas that do not interfere with Owner's use of the same.

11.3. Access to Fire and Code Officials. Access to governmental fire and building code officials and employees to the Tracts is hereby granted during regular business hours with reasonable notice for non-emergency fire and building code purposes, and at all times for purposes deemed to be, at the time, a life or safety emergency by such officials and employees, provided however, that any access to portions of the Tracts that are under leases shall be subject to the rights of tenants of such leases.

**ARTICLE XII
SELF-HELP REMEDIES and EMERGENCY**

12.1. Default; Self-Help Remedies. If any Owner shall default with respect to any of its obligations set forth herein (including its maintenance and repair obligations) and shall fail within ten (10) calendar days after receipt of written notice from the other Owner to cure such default, then the non-defaulting Owner shall have the right, at its election, but not the obligation, and in addition to such other rights and remedies as may be available at law or in equity, to cure such default for the account of the defaulting Owner, and for that purpose is granted an easement to enter upon the defaulting Owner's Tract for purposes of performing the defaulting Owner's obligations, and shall be reimbursed by the defaulting Owner for the reasonable cost and expenses so incurred (including attorney's fees) within ten (10) days of receipt of written demand for payment, together with reasonable documentation substantiating said costs and expenses. Any sums not reimbursed within said ten (10) day period shall bear interest thereon at the rate of twelve percent (12%) per annum, or the highest lawful rate, whichever is lower. The ten (10) day cure period shall be extended in cases where the default cannot be cured within ten (10) days but can be cured during a longer time, so long as the defaulting Owner is diligently pursuing such cure and such extension is approved by the non-defaulting Owner.

12.2. Emergency. In the event of an Emergency no prior notice shall be required to be given by

the non-defaulting Owner prior to exercising its remedies hereunder so long as the non-defaulting Owner provides written notice of such Emergency to the defaulting Owner promptly upon completion of cure. In addition, any failure by the Owner of the Declarant Tracts to keep the South Walkway free and clear of any obstacles hindering the flow of pedestrian movements is deemed to be an Emergency, not requiring prior notice by the non-defaulting Owner.

12.3 Effect of Non-Payment; Lien. Should either Owner default in the payment of any amounts required under Section 12.1 or 12.2, and such default shall continue for a period of thirty (30) days after written demand for payment, unless an extension is approved according to Section 12.1, said amounts shall become a continuing lien on the property owned by the Owner in default (the "Defaulting Owner"), which shall bind the Defaulting Owner, its successors and assigns and the Owner not in default (the "Non-Defaulting Owner") may bring an action at law against the Defaulting Owner to pay the same or to foreclose the lien against the Tract owned by the Defaulting Owner by suit in the manner provided for the foreclosure of mortgages upon real estate, and there shall be added to the amount of such costs and expenses the cost of preparing and filing the complaint in such action. In the event a judgment is obtained, reasonable attorneys' fees shall be paid to the prevailing Owner. The Non-Defaulting Owner shall have the right, but not the obligation, to record its lien, but at all times its lien pursuant to this section shall be subject and subordinate to: (a) the lien of any mortgage now or hereafter held by a mortgagee, or any extension, renewal, modification or refinancing thereof, on or any part of the Defaulting Owner's Tract, whether or not such mortgage or any extension, renewal, or modification or refinancing is recorded before or after the lien in favor of the Non-Defaulting Owner; (b) the leasehold estate created by an lease of all or any part of the Defaulting Owner's Tract; and (c) any other lien or contract for deed of record against the Defaulting Owner's Tract of the date that the Non-Defaulting Owner's lien is recorded. Neither Owner may waive nor otherwise escape liability for the costs and expenses provided for herein by non-use of the Easements or abandonment of its Tract.

ARTICLE XIII INDEMNIFICATION, ENCUMBRANCES AND INSURANCE

13.1. Indemnification. The Owner of the benefited Tract will indemnify, defend and hold harmless the Owner of the burdened Tract from all claims, damages, liabilities, penalties, fines, costs, causes of action and loss arising as a result of the use of the Easements by the Owners of the benefited Tract. This indemnity shall be binding on the Owner of the benefited Tract and its successors-in-interest only with respect to matters or events which occurred during the period the indemnifying Owner was in record title to the applicable benefited Tract. Nothing in this Declaration shall in any way affect or impair an Owner's governmental immunities or limitations of liability provided under law or equity.

13.2. Encumbrances. The Owner of the benefited Tract or any party claiming, by, through, or under such Owner shall not suffer or permit anything to be done that will cause the burdened Tract to become encumbered by any mechanic's lien or similar lien, charge or claim. If any mechanic's lien or claim is filed against the burdened Tract due to the Owner of the benefited Tract or any party claiming by, through or under such Owner, having allegedly requested labor or materials, the applicable Owner of the benefited Tract shall discharge the same of record by a release or bond within thirty (30) days after the filing of any notice of such lien, claim or other charge. Notwithstanding the foregoing, each Owner shall be allowed to encumber its respective Tract with any mortgage, easement, or encumbrance customary to their respective businesses.

13.3. Insurance. The Owners of each Tract shall keep their respective Tracts insured against loss

or damage by fire, sprinkler and other risks, casualties and hazards as might be insured from time to time by prudent owners of similar buildings in the City of Saint Paul and in an amount equal to not less than the full replacement value thereof, and maintain its own policy of public liability insurance with regard to their use of the Easements.

13.4 Casualty. In the event of any loss or damage to all or any part of a Tract, each Owner shall within one hundred ninety (90) days of the date of damage either: (a) determine to restore its building and proceed to expeditiously restore its building in a good and workmanlike manner using materials and construction methods of a commercially reasonable quality and character; or (b) determine not to restore its building but promptly clean up its building, remove debris, and remove or repair any damaged building frameworks and outer shells and make such frameworks and outer shells compatible with those portions of the buildings remaining undamaged. Provided however if any damage adversely affects the structural support necessary for any buildings on the other Tracts then restoration of the support systems is required to be made in a diligent and timely manner at the cost of the Owner of the damaged property.

ARTICLE XIV MISCELLANEOUS

14.1. Notices. Any notice required or permitted to be given by any Owner upon the other Owner is given in accordance with this Declaration if it is delivered personally to such Owner (effective upon receipt or refusal of receipt); or if it is mailed by United States registered or certified mail, return receipt requested, postage prepaid (effective two days after deposit); or if sent by reputable overnight courier (effective next business day after deposit); or if transmitted by facsimile or electronic mail, properly addressed to any Owner at the address designated in writing by said Owner. 14.3. Enforcement. The Owners of the Tract or portion thereof shall have the right to enforce any and all provisions of this Declaration. Such right of enforcement shall include both damages for and injunctive relief against the breach of any provision of this Declaration. The failure to enforce any provision of this Declaration, at any time, shall not constitute a waiver of the right to thereafter enforce any such provision or any other provision of this Declaration.

14.4. Isoppel Certificates. Each Owner shall within twenty (20) days from receipt of written request from any other Owner execute and deliver to such other Owner a certificate stating that (a) either this Declaration is unmodified and in full force and effect or is modified and stating the modification, and (b) whether or not to the best of its knowledge the other Owner is in default in any respect under this Declaration and if in default, specifying such default.

14.5. Non-merger of Interests. The Easements created in this Declaration shall not be subject to the doctrine of merger.

14.6. Amendment. This Declaration shall be amended or terminated only by an agreement signed by the Owners.

14.7. Covenants Run with the Land. All easements and covenants described herein are perpetual and shall run with the land. Provided, however, any transfer of ownership of any Tract by any Owner hereto, by conveyance, operation of law or otherwise, shall operate to relieve such transferring Owner from liability for costs or obligations arising hereunder after the date of such transfer, but such Owner shall remain liable for any costs incurred while such Owner was bound by the terms of this Declaration.

14.8. Severability. If any provision of this Declaration is held invalid, the validity of the remainder of the Declaration shall not be affected thereby.

14.9. Failure to Enforce Not a Waiver. No provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same.

14.10. Recording. This Declaration shall be filed against the title to the Property and all Owners shall provide whatever documents are necessary to accomplish such filing..

14.11. Exhibits. Exhibits A, B, C, C-1, D, D-1, E and F, attached hereto and referenced herein are incorporated into this Declaration and made a part hereof.

14.12. Conveyance of Tract B. Upon the discontinuance of the use of Tract B for boiler purposes by the Owner of Tract B, the Owner of Tract B shall execute and deliver to the Owner of the HRA Tract the fee simple title to Tract B by means of a Limited Warranty Deed at no cost to the Owner of the HRA Tract. Declarant will use its best efforts to secure a release of all mortgages against Tract B, but failure to obtain such releases will not constitute a default hereunder.

14.13. Declarant Warranties. Declarant warrants that: (a) it owns the entire Property in fee simple, subject to no mortgages, liens or encumbrances except as set forth in Exhibit E, and will obtain consents to this Declaration by the holders of such mortgages, liens or encumbrances; and (b) the person signing this Declaration on behalf of Declarant has the full and unrestricted power and authority to execute and record this Declaration and grant the Easements and rights herein granted.

14.14. Relationship of Owners. No provision of this Declaration and no action taken pursuant hereto shall create any relationship between the Owners other than as specifically set forth herein. Without limiting the generality of the foregoing, the Owners are not partners of, or joint ventures with, or agents for, each other.

14.15. Electronic Signatures. An electronic signature or signature transmitted electronically shall be deemed the equivalent of an original signature and valid and effective for all purposes under this Declaration.

14.16. Time. Time is of the essence of this Declaration and each and all of its provisions.

14.18. No Dedication. The Declarant does not by this Declaration intend to dedicate any of the

easements or other rights declared by this Declaration to the public in general and this Declaration does not create any undertaking to make any public dedication in the future.
