May I please get copies of the minutes for every hearing & each order since this tall grass order started back in March?  
 I need to sort through everything before my next hearing.

I also wasn't sent the information for the upcoming hearing.  
 I need to know when & where it will be so I can schedule time off of work.

The water heater has been replaced!  
 Regardless of having a working water heater, I'm still ordered to vacate before our hearing tomorrow.

- I've included the following:
1. A picture of the order to vacate, listing 5-26-2026
  2. The plumber receipt, dated 5-23-2026

The plumber said he will be filing the permit tomorrow; as offices are not open today and it was installed on Saturday.

The home has not had hot water since May 4<sup>th</sup>. We assumed it would have been repaired by now. We have issued orders to repair the water heater under permit by 5/26/28. The property must have hot water, which is a basic need.

Thanks
