Hi!

I'm in total support of this! I still live in Saint Paul but I'm moving. This is the type of thing that would have made me stay. I hope you guys take into consideration that.

Olivia!

Jimmy,

BIG congrats on the bike plan! I saw the shoutout in Axios then looked through it. It makes me so happy to think about this being implemented.

Allison

Jimmy,

Thanks for the great work on the bike plan. Crossing my fingers it is passed today. We recently moved back to the city after time abroad where we could easily bike everywhere. We purchased a cargo bike as a car replacement for our family. I'm hoping to be able to safely use it throughout the city for years to come. This plan would make this possible.

If you ever need a vocal supporter for the plan in my neighborhood, I'm your gal.

Best,
Shannon

Think Before You Click: This email originated **outside** our organization.

Hi Cheniqua Johnson:

Please do not vote for the NEW Bike path on Summit Ave. I am a biker & enjoy all the paths, but remaking Summit Ave. to add another bike path – when there is one on the street is short term thinking.

Leave Summit Ave alone please. It's one of a kind that can't be replaced.

Thank you:
