Dear Barb or Stephanie:

Enclosed please find our Sound Level Variance Application and a check for \$178.00.

As we've done for the past many years, we'd like to have a DJ play amplified music in the fully enclosed and heated tent in our parking lot from 12:00 p.m. to midnight on Saturday, March 14, 2026 for Luckypalooza and for the St. Patrick's Day celebration's on Tuesday, March 17, 2026.

The DJ sets up his desk in the Northeast corner of the tent with the speakers facing directly into the middle of the tent. The tent will be 60' x 75'. We will also provide written notice to the residents of the Chestnut Arms apartment complex located on the corner of Smith and Chestnut regarding this request.

Please let me know if you need additional information and thank you for your assistance.

Sincerely,

Kelly Sellman
