

**BOARD OF WATER COMMISSIONERS  
RESOLUTION**

PRESENTED BY  
COMMISSIONER \_\_\_\_\_

No. 25-298  
DATE February 18, 2025

---

**WHEREAS**, the Minnesota Department of Transportation is planning major improvements to Robert Street between Annapolis Street and Kellogg Boulevard, including roadway reconstruction, sidewalk replacements, and safety enhancements; and

**WHEREAS**, much of the water distribution infrastructure in the project area dates back to the 1880s and contains a significant number of lead service lines that need replacement; and

**WHEREAS**, coordinating water infrastructure upgrades with the roadway reconstruction will be cost-effective and reduce construction impacts on residents; and

**WHEREAS**, KLJ Engineering proposes to provide professional engineering services for the Highway 3/Robert Street project to SPRWS at a cost not to exceed \$101,568.76; now, therefore, be it

**RESOLVED**, that the Board of Water Commissioners of the City of Saint Paul hereby authorizes KLJ Engineering to provide professional engineering services for the Highway 3/Robert Street project and hereby authorizes its General Manager of Saint Paul Regional Water Services to execute any and all forms as may be required for such agreements.

**Water Commissioners**

**Adopted by the Board of Water Commissioners**
