Marcia,

I was advised to ask you because the case is still in process within your court. I'll call Amber and get it scheduled for tomorrow.

Hi Sean,

This is something that supervisors or management would normally advise on.

My 2 cents is that if both she and you are available tomorrow, it may do well to re-schedule to then. That keeps it clean that if there's no inspection it's a failure on her part, the city did accommodate the request.

Hope this helps, Marcia

Marcia,

Today, Amber is scheduled for a 1:00 pm interior/exterior appointment. However, she left me a

voicemail stating she had a family emergency and she's not able to keep today's appointment. She's asking to push it out to tomorrow at the same time. From what I understand she was told to have this inspection done by 12/27 or 12/30.

Just need to know what you'd like me to do here.
