Hi, Olga –

I'm looping in Public Works garbage to check on a stop service on your account. I am seeing that you have garbage bills for July – Dec of last year, but Public Works will need to reverse that on their end to ensure you get a refund.

Best,
Lydia

Hi,

My house got into a fire since 10/17/2024 and I called to cancel the garbage service. I know there was an invoice sent to my employer to pay because they cancel the account. I tried getting into my account for waste management and it was closed but now i come to find out that it's been charge to my property. Why am I getting charge for a service that I'm not getting and garbage hasnt been picked up since 10/17/24 - Can I get a reimbursement for my money I have paid so far since the closed out my account at waste managements on 12/1/2024.

My Phone NUmber is 612-251-2326 if you can give me a call I will really appreciate it.

Hello Olga

Thank you for reaching out to the city of Saint Paul about your garbage bill. I just called and left you a message. I have taken a look at your property history and do see there was a fire in Oct 2024. I have already removed the Quarter 4 bill. However to remove the Quarter 3 bill, I have to present it at a legislative hearing on March 19. You do not need to attend because I believe I have enough evidence to recommend removal. However, I cannot promise or guarantee the outcome. The Quarter 2 bill cannot be removed because the time to dispute has closed.

Let me know if you have any other questions

Thank you,

Jillian
