And I would say that the demolition of that site is long overdue. And it's ridiculous and frustrating and many other words uh that that it's been there vacant in that state for as long as it has. Um, frankly, it's ridiculous and it makes me hate corporate greed and, or whatever. I mean it's, I agree, but the fact that cbs owns the building and as a 100 year lease or whatever it is, Is 2nd name and the fact that they can just let it be like that in our neighborhood. And secondly, so please, please, please demolish that building or re purpose it or whatever needs to be done, but It has to be fixed. Thank you.
