Staff Comments

PO received assessment for YW. The PO subscribed to YW service with WM for years prior. This year, the PO did not receive a cart and attempted to place YW bags at the curb for collection in Q2. When they were not picked up after a few days, he would drive them to the YW site himself and stopped setting bags out. PO asking for YW subscription charges to be removed. Staff recommends removing Yard Waste assessment.

Hi Gurdesh

We spoke a few minutes ago about your Yard Waste assessment. I am writing to confirm everything with you. Here is a brief summary of what we discussed:

1. You did not have a cart but would place YW bags at the curb. When they were not picked up after a few days during Q2, you would just drive them to the YW site yourself. You did this for multiple weeks before giving up and driving everything to the YW site and eventually stopped relying on curbside collection. You asking for YW subscription charges to be removed.
2. Your wife might attend the hearing on your behalf - Preetika Arora, PreetikaArora@gmail.com, 305-904-0381
3. You would like to cancel the YW subscription for 2026

The hearing will be teleconferenced by phone. Please see below for details:

Hearing Date: November 13, 2025

Time: Between 11am and 12pm

We call you during that time period. If you do not answer, we will move to the next case, and then try again about 10 minutes later.

Let me know if you have nay questions

Thank you,

Jillian
