**Subject:** Stop increasing resident property taxes by not adding non-essential proposals  
**Date:** Monday, December 2, 2024 11:37:53 AM

---

You don't often get email from overlandd@hotmail.com. [Learn why this is important](#)

Please act to stop increasing non-essential items from our city property taxes added into our St. Paul home mortgages.

Specifically, this means to **immediately start by lowering the recent levy proposed by Mayor Carter.**

These increases are too much to ask for from many or the majority of Saint Paul city taxpayers.

I am asking you and fellow council members to immediately start cutting the city budget by not adding any non-essential proposals to it.

If nothing gets done soon, we plan to vote differently the next time, and also plan to move out of our St. Paul home as soon as possible.

Sincerely,

David and Carol Overland  
1930 Clear Avenue  
Saint Paul, MN 55119
