Hi, I received a notice. It says if I do not agree to email you here. Some of the stuff is my grill and picnic table. We have our 2 recycle bins on the side of the house. Our small boat. My son has his 3 fish tanks out there. I will have those removed by the weekend. I guess we been sent a few notices. One time they actually came out with cleaners and he even said we dont have junk outside. Just got to get rid of a few things. So, He called his point of contact and allowed us to clean quick. But other than that we dont have junk out there. I guess I am confuse as to why we have the letter. I have attached the letter.

Sincerely,
