

2023 Audit Committee Community Engagement Roadmap

Goal: Facilitate opportunities for the Audit Committee to inform and engage residents + organizations about the work of the committee.

Commitment: One engagement opportunity per committee member on a quarterly basis.

Examples of Types of Engagements: Presentations to district councils, online community “office hours”, social media promotion of the topic selection survey, opportunities for synergy with existing Councilmember community engagement events, press releases, video/textual recap of completed audits, etc.
