Think Before You Click: This email originated outside our organization.

I want the hearing to be on the phone I already confirm this I don't really want to go back-and-forth on this and I already told you but whatever you guys cleaned on April 26 was not in the warning plus you guys came back 29 days later, telling us that you guys clean the place, we complied and clean when we supposed to clean and then you came back 29 days later and tell us that we I didn't clean anything and you can see the picture down there it says April third and we had till April 6 to clean the place up. That was the warning and I am hoping whatever that we are fighting over for is the same thing because the video showed that you guys clean in front of the garage not the actual backyard so just to confirm all you guys cleaned was in front of the garage, right, if not come with a video evident, you guys going into our backyard cleaning it as far as I know we didn't get a warning about in front of the garage all we got a warning for was the backyard, whatever that was in the fence. I am sorry, but we complied.

If you do not correct the nuisance or file an appeal before April 06, 2023, the City will correct the nuisance and charge all cost, including boarding costs, against the property as a special assessment to be collected in the same way as property taxes. Charges: If the City corrects the nuisance, the charges will include the cost of correction, inspection, travel time, equipment, etc. The rate will be approximately \$260 per hour plus expenses for abatement.

APPEALS: You may appeal this order and obtain a hearing before the Legislative Hearing Officer by completing an appeal application before the deadline noted above or seven (7) days after the date mailed, whichever comes first. No appeals may be filed after that date. You may obtain an appeal application from the City Clerk's Office, Room 310 City Hall, 15 W. Kellogg Blvd., St. Paul, MN 55102. (651) 266-8688. You must submit a copy of this Order with your appeal application.

WARNING: If violations are not corrected by the compliance date, the city's costs will be assessed to the property taxes of the related property. If additional new violations are discovered within the next 12 months, additional charge may apply.
