This **GRANT AGREEMENT** (“Agreement”) is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2024, by and between the Ramsey County Housing and Redevelopment Authority, a political subdivision of the State of Minnesota (“Authority”), and the City of Saint Paul, a Minnesota municipal corporation (“Grantee”).

### **RECITALS**

1. Authority was created pursuant to Minnesota Statutes §§ 469.001 to 469.017, as amended, and was authorized to transact business and exercise its powers by a resolution of the Ramsey County Board of Commissioners (the “County”).
2. In 1997, the Minnesota Legislature enacted Minnesota Statutes § 383A.80 enabling Ramsey County to impose mortgage registry and deed taxes equal to .0001 percent of the value of transferred properties in Ramsey County to establish an environmental response fund. In December 2002, the County established the Environmental Response Fund Program (“Program”) and imposed these taxes for the express purpose of creating a fund to mitigate contamination through remediation activities and foster redevelopment.
3. The activities to be undertaken under the Program are all activities that Authority could undertake directly pursuant to Minnesota Statutes §§ 469.001 to 469.047.
4. Grantee seeks to invest in the reconstruction of the Fish Hatchery Trail in the City of Saint Paul, as defined in the Program description on file with Authority (the “Project”) which will result in 1) strengthening individual, family and community health, safety and well-being, 2) cultivating economic prosperity and investment in neighborhoods with concentrated financial poverty, and 3) enhancing access to opportunity and mobility for all residents and businesses in Ramsey County.
5. Grantee has submitted an application (“Application”), on file with Authority, to fund certain remediation activities in the Project Area as depicted in **Exhibit A** (“Project Area”) related to the Project as described in **Exhibit B** (“Project Activities”).
6. The Project Activities will occur in the City of Saint Paul, within the Project Area, in Ramsey County, Minnesota.
7. Authority has concluded that Grantee has the necessary expertise, skill, and ability to successfully complete the Project and that the Project is in the best interests of Authority and will positively contribute to meeting the goals of the Program.
8. Authority agrees to provide a Grant in the amount of Two Hundred Nineteen Thousand Seventy and no/100 Dollars (\$219,070.00) (“Funds”) to Grantee pursuant to the Program and Resolution No. H2024-004.

**NOW THEREFORE**, in order to induce Authority to make the Grant to Grantee consideration of the mutual covenants and agreement contained herein, Authority and Grantee agree as follows:

The Grant constitutes a grant of funds, and no portion of the Grant is to be repaid by Grantee to Authority unless mutually agreed to by all parties as part of this Agreement or an Event of Default (as defined below) occurs.

**Section 1.02 Documents Delivered with Agreement.** Prior to, or contemporaneously with the execution of this Agreement, Grantee has delivered to Authority the following documents and/or instruments, each of which will be in a form acceptable to Authority.

Labor costs are only eligible to be covered if the labor is done by a third-party who has no financial interest in the Project or the premises where the Project is located, other than the value of such work. In awarding contracts pursuant to this Agreement, comply with all applicable requirements of local and state law for awarding contracts, including, but not limited to, procedures for competitive bidding, contractor's bonds, and retained percentages. Where federal standards differ from local or state standards, the stricter standards will apply.

**Section 1.04 Grant Term.** The Project Activities shall be completed in a timely manner and all Grant funds will be expended no later than **July 16, 2025**, unless extended in writing by Authority ("End Date").

Grantee seeks reimbursement. Subject to verification of the facts contained in each Reimbursement Request and a determination of compliance with the terms of this Agreement, Authority will disburse the requested amount to Grantee within thirty-five (35) days after receipt of each Reimbursement Request. The final request for disbursement must be submitted by July 16, 2025, unless extended in writing by Authority, or any unrequested funds will be lost.

B. The following are events and conditions precedent to the disbursement of the Funds for any Project Activity:

1. Grantee shall have executed and delivered to Authority on or prior to the date hereof, without expense to Authority, executed copies of this Agreement.

**Section 1.07 Business Subsidy.** The parties hereto agree and acknowledge that the Grant does not constitute a business subsidy under Minnesota Statutes, §§ 116J.993 to 116J.994, as amended, because the Grant is to a government entity.

**Section 1.08 Prevailing Wage.** The Project will conform with the labor laws of the State of Minnesota, and all other laws, ordinances, and legal requirements affecting the work in Ramsey County and Minnesota including the Ramsey County Prevailing Wage Ordinance No. 2013-329 ("Ordinance"). The minimum wage rate per hour to be paid for each classification of work shall be the union wage rate in the locality of the Project for those classifications over which the unions have jurisdiction and the local prevailing rate for those classifications of work in the localities over which the unions do not have jurisdiction. Each party will be responsible for its own acts, omissions, and the results thereof to the extent authorized by law and will not be responsible for the acts or omissions of the other party and the results thereof. Any liability of the Grantee or Authority will be governed by Minnesota Statutes Chapter 466 and other applicable law.

- B. Nothing in this Grant Agreement will constitute a waiver by Grantee or Authority of any statutory limits or exceptions on liability.
