Dear Sir/Madam:

1. SPLC 357.05 (i). - **GARBAGE CONTAINER STORAGE:** The containers shall not be kept beyond the alley line or in front of the established building, or on the boulevard except on the day of collection. **WARNING:** Code inspection and enforcement trips cost the taxpayers money. If the violations are not corrected within the time period required in this notice, the city's costs in conducting a reinspection for compliance after the due date will be collected from the owner rather than being paid for by the taxpayers of the City. If additional new violations are discovered within the next following 12 months, the city's costs in conducting additional inspections at this same location within said 12 months will be collected from the owner rather than being paid for by the taxpayers of the City. Any such future costs will be collected via assessment against the real property and are in addition to any other fines or assessments which may be levied against you and your property.
