Subject: 1566 Rice St - Class N License District Council Form

Hello Kerry,

Can you confirm receipt via response to this email?

My understanding is that Abdallah has met with your organization as part of his CUP application, obtained a letter of support from you, and the CUP is due to go to the full Planning Commission next Friday.

He'll be submitting his license application next week and I explained your confirmation was needed for the license review process to begin.

Thanks,

Jeff Fischbach
