Looking to get help and/or forgiveness regarding the garbage collection since we purchased the property on December 27, 2024 and it was not disclosed in the purchase that there were past due balances.

Christy,

Thank you for contacting the City of Saint Paul about the Quarter 4 (October - December) 2024 delinquent garbage assessment. I am sorry for any trouble this has caused. In the City of Saint Paul, garbage service is paid in advance on a quarterly basis. When bills are unpaid by the end of the billing cycle (three months), they are transferred to the City, who then pays the bill on behalf of the owner. This zeros out the account with the hauler and a pending assessment for delinquent garbage is placed on the property for the unpaid amount.

It appears that the Quarter 4 (October - December) 2024 invoice of \$129.46 for this property was not paid by the previous property owner. Gene's Disposal Services sent your delinquent Quarter 4 (October - December) bill to the City which the City paid on behalf of the previous property owner. Therefore, the assessed amount of \$129.46 is still due to the City of St Paul. **Unfortunately, as the current property owner you are now responsible for any assessments on the property.**

Our recommendation to new homeowners in similar situations is to contact your title specialist as they should have informed you about this assessment before closing on this property and addressed it at closing.

If you are not in agreement with this recommendation, you can further contest this assessment at your scheduled legislative hearing. Please reply to this email if you would like to do so.

Thank you,

Jillian

Hi Christy

Ok, did you reach out to the title company, and what was their response?

I also want to let you know that we will only be discussing the past due balance of \$129.46, for the delinquent garbage bill through Gene's Disposal at the hearing. We do not dispute abatement charges at this hearing, and you will have to reach out to the Department of Safety and Inspections to dispute those charges at a separate hearing.

Yes, we're dealing with the title company for the lack of information that was not provided at closing. I understand there are separate hearings for the separate issues regarding this property and I tried to get in on the hearing for the garbage bill, but was told that it had to be postponed to April 15th due to too many previous appointments prior to mine. I'll just keep up with any and all appointments that I can and I appreciate your help with all of this.

Thank you!

Hi Christy

Sounds good. Would you like to attend in person or by phone? Most people attend by phone, but it is totally up to you. The hearing is downtown Saint Paul at 15 W Kellogg Blvd. If you choose to attend by phone we will call you sometime between 9am and 11am on April 10. If you do not answer the first call, we always give a second attempt a little later.

Hi Christy

I apologize but I skipped over your file and I did not get the hearing entered in. Can we try again? I can schedule the hearing for this Thursday at 9am, and the hearing officer will call you then. Will that work?
