Hi Chris,

We show that you currently have 1 Large, 96-gal garbage cart at 318 Baker St E. If we deliver another Large cart, you will no longer be in the Cart Sharing Program, so I'm going to remove you from that program. Cart Sharing is for multi-unit properties that want to share carts between units. Here are some notes and answers to your questions:

- **CART 1:** Your first Large cart was delivered on April 13. The charge for this cart will be prorated on the Quarter 2 bill based on this delivery date.
- **CART 2:** We will deliver another Large cart for you. You'll be getting a separate email that confirms delivery. The charge for this cart will be prorated in Quarter 2 based on the date is delivered.
- **QUARTER 2:** The Quarter 2 (Apr-Jun) bill will arrive in mailboxes in late July or early August.
- **BILLING:** Garbage bills always go to the property owner at the owner's mailing address listed with Ramsey County. In this case, bills will be mailed to John Odhiambo at 12427 Allen Dr, Burnsville MN 55337-3174. We cannot put garbage bills in tenants' names. Also, we cannot split the bill into 2 separate bills for the units. It is viewed as one property and 1 bill will be issued. If the owner wants to pass the quarterly garbage cost along to the tenants, that's between the owner and tenants.
- **LATE FEES:** You won't need to worry about late fees until November each year. That's when unpaid bills are turned over to Ramsey County and placed on the owner's property taxes and charged extra fees.
- **NEIGHBOR:** If the neighbor has a billing issue, please advise them to contact us to sort it out. We can only make billing and cart changes with the owner of the property in question.
- **REQUESTED CREDIT:** We can provide a credit for Quarter 1 (2026) and Quarter 4 (2025) if there were no carts at the property, but that's as far back as we can go. I will send this issue over to our billing specialist. She will get back to you with the details.
- **RECYCLING:** There are no quarterly bills for recycling. The owner is annually charged \$172.75 per unit on their property taxes. The total for this property is \$345.50 per year. You can have whatever size recycling cart is needed and any quantity. If you need help with recycling carts at this property, let us know.

I hope this information helps. Watch your email for a cart delivery confirmation and watch for something from our billing specialist, Jill, about credits for the last 2 quarters.

Thank you,

Melanie

Hi Chris

Thank you for reaching out about your garbage bill. In order to get your Quarter 4 invoice removed, I will need to take it to a legislative hearing on Thursday the 14. You are not required to attend, as I have enough information to recommend deletion, however I cannot promise or guarantee an outcome.

Once the hearings are over, I will reach out again with the results, and let you know next steps.

Let me know if you have any other questions

Thank you,

Jillian
