We just swung by 1547 Carroll Ave, the boulevard and rear yard were cut, but there was the front yard. Whether this is olive vines or not are unknown.

Ok, perfect. I'm sure it was the June 10th one, I didn't have my notes in front of me.

I'll give her a call back. Is there any way someone could swing by in the next day or so, so we know whether we should bother having her do an appeal? I know everyone's busy, but it would end up saving everyone time taking photos and paperwork

Anyway, appreciate it a lot!

Joanna

Hi Joanna,

I am the area inspector for 1547 Carroll Ave. There was no complaint dated June 4th, but there is one for June 10th. We have yet to get out to the property, so it is still pending for initial inspection.

Thank you,

Hi there,

Tammy, the property owner called, she got a tall grass and weeds order, it was dated June 4 I believe, but she just received it.

I looked in Paulie and didn't see anything. Could you confirm the status of this? Not sure whose area it is/who did the inspection. Was the file closed?

It sounded like it was just for some olive vines? Not actually for unmowed grass.

Appreciate an update so I can give her a call back!

Thanks,

JZ
