Dear member of the conceal.

I would like to make an appeal on my assessment. I work out of town as a first line medical person as I explained to MRS Mai Vang and I had made arrangements for snow removal with a new person this year. I had a reliable person the previous years as I never had any issues before. Sadly my new worker never showed up and there was no way for me to know that the snow was not removed. My neighbor who usually calls me if there is any issues was out of town too. I have fixed the problem since and hope that it never happens again. I have a good history with my taxes and behavior in this city and hopefully you can give me a chance this time. I have to work out of town many weeks a year and I am doing the best I can to be a good citizen.

Thank you very much.

Mario Potvin
