Re: Remove or Repair of the Structure at 299 SHERBURNE AVENUE

Dear interested parties:

This is to confirm that at the Legislative Hearing on March 10, 2026, Legislative Hearing Officer Marcia Moermond continued the matter to Legislative Hearing on **Tuesday, March 31st, 2026 at 9 am** in room 330 City Hall/Court House for further discussion on your plans for the property.

For your reference, the following items would eventually need to be completed (by you or a development partner) before receiving a grant of time from the City Council to rehabilitate the property:

- 1. Post a \$5,000 Performance Deposit with the Department of Safety & Inspections;**
- 2. apply for a Code Compliance inspection with the Department of Safety & Inspections**
- 3. submit evidence of financing sufficient to complete the rehabilitation. Financing could be business or personal accounts, a line of credit, or construction loan. Other types of financing will be reviewed on a case by case basis;**
- 4. past due taxes must be brought current;**
- 5. submit an affidavit indicating the finances will be dedicated to completing the project and not diverted until a code compliance certificate is issued;**
- 6. submit work plan, sworn construction statement, or scope of work. This should include **signed** subcontractor bids which address all items in the Code Compliance Inspection Report and a schedule for completion of the project; and**
- 7. the property must be maintained.**

If you are intending to have a third party rehabilitate the property, pending transfer of title, the contract used for this transaction will need to be approved by the Legislative Hearing Officer. Please note that title cannot transfer until the rehabilitation is complete and nuisance abated.

If you have any questions, please contact our office at 651-266-8585.

Sincerely,

/s/

Joanna Zimny
