Hi Mai,

We own the property at 828 Englewood Ave, St Paul, MN 55104. We were fined over \$800 for garbage collection. We believe this came from directly across our alley (829 Minnehaha Ave W, St Paul, MN 55104). Our trash containers are directly across the alley from 829 Minnehaha ave W.

We are writing you today because of the hearing tomorrow in hopes that this clears up this issue and that you see it was not ours.

We have photos showing the trash containers in the alley from 829 Minnehaha Ave as well as one from 828 Englewood Ave for dates:

- Aug 15 (photo attached)
- Sep 2
- Sep 4 (photo attached)
- Sep 5 (photo attached)
- Sep 6
- Sep 8 (photo attached)
- Sep 26 (photo attached - this is what ours typically looks like)
- Sep 27
- Oct 1 (phot attached)
- Oct 2
- Oct 7
- Oct 8 (photo attached)
- Oct 10 (photo attached)
- Oct 12 (photo attached)

We have attached a few pictures. If you want more please let us know.

Respectively, we believe there is a pattern of trash surrounding the containers and leads us to believe the fine we received should have been for that property.

We have owned the property since 2009 and have not had any garbage issues nor been assessed any fines in the past. We are there regularly, to collect rent and/or maintain the property.

Please reach out to either myself or my father, Mick at the numbers below should you have any questions.

Thanks for your consideration,
