			Three signs on blvd.
			Applicant Chia Xa Vagh Hmong Village Llc - The applicant is requesting a variance of the off-street parking requirement that states parking cannot be located within 25 feet of the front property line. The applicant is proposing a zero foot setback from the property line along Johnson Pkwy., requiring a front yard setback variance of 25 feet.
			Applicant Chia Xa Vagh Hmong Village Llc - The applicant is proposing to construct a new parking lot for the Hmong Village and is requesting the following variances of the off-street parking that specifies: 1) off-street parking shall not be located within the front yard, 2) (a setback of 25' is required from the parkway) xx is proposed for variance xx,
			In violation Code of Ordinances Sec. 30.04., illegally displaying signs advocating for a candidate more than 60 days out from the November 8th 2016 election.
			The city of St. Paul is discriminating against the Hmong people by not providing a safe pedestrian and bicycle crossing of Phalen Boulevard for the Hmong to get to the Hmong

				<p>Village Shopping center from the many apartments that are just north of the Ramsey County compost site. Today I witnessed a near traffic fatality when a 5 year old Hmong tried to walk his bike across Phalen Boulevard and was nearly hit by a driver on Phalen Boulevard who could not see the child or bike until the last second. This intersection desperately needs an electronically signed crossing with bicycle ramps to protect the many Hmong people that cross there daily to go shopping or just "hang out" at the Hmong Village. Will it take the death of a child to get the city to act in this regard? I sure hope not. This particular signed crossing would not benefit me one bit as I have no need to cross Phalen Boulevard in that area. However the City of St. Paul has a moral imperative to fix this situation as soon as possible. The location of the needed stoplight can clearly be determined from the worn path that has been already been made by the multitude of pedestrians and bicyclist trying to cross. The nearest crosswalk is approximately a quarter mile from there and is basically unused. Thank you for your time and attention.</p>

05/14/2015	<u>15 035615</u>	Resolved	CS - CSO Complaint - Traffic Design - Complaint	The intersection of Johnson Pkwy and Ames Ave 55106 is at high risk for collisions now that the parking lot of Hmong Village exits out to that intersection. Vehicles exiting Ames Avenue or Hmong Village have a very difficult time exiting during busier times of of day. Risk for collision is very high because vehicles exiting the Hmong Village parking lot treating think they have right of way if they were there first, even though they are coming out from a parking lot and they are not already a part of main traffic. (From my understanding, they do not have right of way if they are trying to join traffic from a parking lot or driveway.) I live on Ames Ave and it is a struggle to get onto Johnson Parkway every single morning, especially during busier times of day. Weekends are not any better due to a very high volume of visitors to the Hmong Village building. I am begging you to please put up a traffic light there--please! Thank you.

07/24/2013	13 213382	Open	CS - CSO Complaint - Crime - Complaint	I would like more traffic police to be on duty near the Johnson Parkway and Wheelock location over by Hmong Village. Today I was driving near there and an individual in a white toyota 4runner was driving behind me urging me to go faster than the speed limit by honking their horn and when that didnt work the individual proceeded to flick their high beams on and off at me (this was around 9:30 AM). I did not feel safe and felt like my life was in danger due to such reckless driving. With such a high amount of traffic in that area in general I'd like to request that a cop be on duty to help keep the general public safe from drivers such as this one especially with the construction that is going on in the area.

12/24/2012	<u>12 222714</u>	In Compliance	CS - CSO Complaint - Zoning - Complaint	Hmong Village at 1001 Johnson Pkwy, has been using huge banners on the side of their building as their official business signs. One on the west side of the building on Phalen Blvd. going East. Two on north side of building, at the corner, going south on Johnson Pkwy. 12/26/12 Every weekend, there's a swarm of Hmong Village customers who are taking over parking spaces on the streets in the nearby residential areas. There's not enough parking for Hmong Village customers. 01/02/13 Every weekend their customers come and park in our parking lots and leave their cars here. 01/08/13 I understand that a business is not allowed to hang banners as their permanent business signs, but why has Hmong Village been allowed to do just that with 4 banners for the past 3 years. Please make see to it that everyone is under the law. 01/17/13 Hmong Village's 15 feet by 30 feet white banner that's hanging on the Phalen Blvd side of the building(facing Downtown or West) has been spared. Please make sure that that banner is also taken down. We all have to follow the same regulations. 01/25/13 the Hmong Village bigger banner on Phalen Blvd. is left intact and untouched and the other two on Johnson Pkwy have been removed, why is this one still allowed to be up?

regulations. We bought some sesame seed buns from Thai Ginger and there were a bunch of shredded plastic wrapping inside the buns. That's a sign of carelessness and laziness. This is an ongoing problem at Hmong Village. 01/23/13 Several Health code violations taking place at Hmong Village including selling bad food and employees possibly not washing hands after using the restroom as there are no signs posted for washing hands in the restroom. 01/24/13 why has Hmong Village been getting away with NOT labeling the food displayed in the front at room temperature properly. 11/02/2012	12 207283	Resolved	CS - CSO Complaint - Traffic Sign/Light New - Complaint Would it be possible to get a traffic light at Johnson Pkwy & Ames Ave? Johnson has recently been widened to accomodate a left turn lane into Hmong Village. Directly across Ames is the entrance to Hmong Village, so now it's a 4-way intersection. There was always fairly heavy traffic on Johnson and now with Hmong Village it's even worse. And the entrance to HV being directly across from Ames is going to make a left turn (onto Johnson) almost impossible. Plus there's a pedestrian crosswalk (which I'm glad to see) but that makes it even more complicated. I think that intersection is an accident waiting to happen. Thanks.
