Dear Councilmembers,

On March 25, 2025, Peter Butler delivered a petition, requesting a referendum on Ord 25-2, to my office. Ramsey County Elections conducted an examination of the petition and verified that the petition did not contain 2,000 valid signatures as required by Minn. Stat. 410.12 (subd. 7) for a referendum. 1550 signatures were valid.

A spreadsheet listing the insufficiencies will be provided to the petitioner and they will have an additional ten days to submit more signatures.

Sincerely,

Shari Moore, MMC
City Clerk
