Hi my name is Olive Lena, 5 MO 2501 property address 2239 Fremont Ave. East Saint Paul 55119 parcel ID 352922140042. I'm commenting on the the public hearing that is coming up on Wednesday, May 7th at 2:00 at 3:30 PM concerning to consider approval of the proposed project as follows. 2025 meal and overlay 4th St. and Howard phase two removal of top layer, whatever that is. I object. I say no, I'm not paying no money no because I'm a single parent struggling to live in this town. The taxes are too much and just I don't want to hear another project if they if it's not funded by the government, they should just leave us the way we are because I said no, I object no.
