Yes, this is Richard l. Preston. I am at 115 Winona Street in St. Paul calling in regard to the assessment number 259010. Anyway, I was calling in regards for the ash trees that were removed on June. 4th, we never received a message or a phone call regarding the remove of those trees. I've got MS. I was in ER hospital 3 times already. one time right after they came and remove the trees. So I was taken by ambulance to the ER. I was in there for about a week and a half. And then 2 other times before that uh, one for kidney, one time for heart and another for a combination. But anyway, I am calling in regard to the amount of that $4000.00 on the assessment. I would like to ask for one half of mercy, one half payment roughly $2000.00 instead of the $4000.00 Regarding is just is it just was too much. It was so much going on with for, for health issues and everything else. I didn't have the time to get anything established for the getting those is removed.

Can you put a TA together for 9/9/25. Call between10-noon. If by 9/9 city system still not up, I will reschedule. You can start your TA with what information you have for now and we can add them when we have more information. Council date is 10/8/25. I will return his call. We can prob ask Marcia for the 10 year payments or 5 years.

Thanks,

Mai Vang
