Re: Remove or Repair of the Structure at 901 FULLER AVENUE

Dear Interested Parties:

This is to confirm that at the Council Public Hearing on March 22, 2023 Legislative Hearing Officer Marcia Moermond will have the matter referred back to Legislative Hearing on **Tuesday, April 11, 2023 at 9:00 am in room 330 City Hall/Courthouse for further discussion.**

For your reference, the following items must (eventually) be completed before receiving a grant of time from the City Council to rehabilitate the property:

1. post a \$5,000 performance deposit with the Department of Safety & Inspections;
2. apply for a Code Compliance inspection with the Department of Safety & Inspections
The code compliance application must include lock box code and box must be attached to door for use;
3. If a third party is intending to rehabilitate the property, pending transfer of title, the contract used for this transaction will need to be approved by the Legislative Hearing Officer. **Please note that title cannot transfer until the rehabilitation is complete and nuisance abated;**
4. **submit evidence of financing sufficient to complete the rehabilitation.** Staff estimates costs to exceed \$100,000. If total for bids are more than 20% less than staff estimate, a high level of detail will be required. Financing could be business or personal accounts, a

line of credit, or construction loan. Other types of financing will be reviewed on a case-by-case basis;

5. **submit an affidavit indicating the finances will be dedicated to completing the project** and not diverted until a code compliance certificate is issued; and
6. **submit work plan, sworn construction statement, or scope of work.** This should include **signed** subcontractor bids and a **schedule** for completion of the project; and
7. **the property must be maintained.**

The Code Compliance and performance deposit forms can be found online here:

<https://www.stpaul.gov/departments/safety-inspections/vacant-buildings>. Please contact the Department of Safety and Inspections directly at 651-266-8989 for questions regarding the application or payment process. **Please include the lock box code in your Code Compliance Application.** Samples of these documents will be sent at a later date, if you would like them sooner please let me know.

If you have any questions, please contact me at 651-266-8585.

Sincerely,

/s/
