Re: Remove or Repair of the Structure at 594 BRUNSON STREET

Dear Interested Parties:

This is to confirm that at the Legislative Hearing on September 26, 2023, at which no one appeared, Legislative Hearing Officer Marcia Moermond recommended that the City Council **order the building removed within 15 days with no option to repair.**

This matter will go before the City Council at Public Hearing on **Wednesday, November 1, 2023 at 3:30 pm. in room 300 City Hall.** If you are contesting Ms. Moermond's recommendation, or do not have the above items completed by deadline, you may:

1. appear in person (please arrive before 3:30 p.m. and check in with staff outside Council chambers); or
2. **Should you wish to address Council directly but not appear in person, you must register in person by noon on Tuesday, October 31, 2023 here to testify via phone:**
<https://www.stpaul.gov/department/city-council/city-council-public-hearing-live-testimony>.

If you don't wish to contest then no further action is needed and the Council will proceed with Ms. Moermond's recommendation above.

For your reference, the following items must (eventually) be completed before receiving a grant of time from the City Council to rehabilitate the property:

1. **\$5,000 Performance Deposit** posted with the Department of Safety & Inspections;

2. apply for a Code Compliance inspection with the Department of Safety & Inspections (*note that a Code Compliance Inspection was completed in June 2021 and has since expired*);
3. **submit evidence of financing sufficient to complete the rehabilitation.** Staff estimates costs to exceed \$125,000. If total for bids are more than 20% less than staff estimate, a high level of detail will be required. Financing could be business or personal accounts, a line of credit, or construction loan. Other types of financing will be reviewed on a case by case basis;
4. **submit an affidavit indicating the finances will be dedicated to completing the project** and not diverted until a code compliance certificate is issued; and
5. **outstanding property taxes must be brought current** (current due and owing \$20,272.88); and
6. **submit work plan, sworn construction statement, or scope of work.** This should include **signed** subcontractor bids and a **schedule** for completion of the project; and
7. **the property must be maintained.**

The performance deposit and Code Compliance Inspection forms can be found online here: <https://www.stpaul.gov/departments/safety-inspections/vacant-buildings>. I have also included a copy. Please contact the Department of Safety and Inspections directly at 651-266-8989 for questions regarding the application or payment process.

The code compliance application must include lock box code and box must be attached to door for use; it isn't sufficient to just apply without ability for staff to conduct the inspections. If you have any questions, please contact me at 651-266-8585.

Sincerely,

/s/

Joanna Zimny
Legislative Hearing Executive Assistant
