To Whom it may concern.

As a local resident that lives within a block of Lucy Bar & Restaurant LLC, doing business as Tin cups Plus, I object to the idea of this establishment obtaining a Gambling Location License. I was already reluctant in the consideration for the restaurant to sell liquor, but with a Liquor Store next door I found my reasoning flawed.

I object to any sort of gambling due to the wrong crowd / environment this may attract. Previously, Tin Cups, in its former (recent) years, caused gun violence and public civilian hostility. Not only to the bar's patrons, but residents in the surrounding neighborhood, and shoppers at the Double Dragon, and Dollar Tree.

Thank you for reading my objection.

Sincerely,
Jimmy
