That sounds like a great plan. Do you have phone number for the PO?

March 17th was a little late to be paying for 4th Qtr 2024 in the first place

Yes right now they have a credit balance of \$77.34 due to overpayment - they paid 4th and 1st Qtr's

I can reverse \$71.84 of that amount off the Holding account and the balance will be refunded at a later date.
