Dear city council,

I am writing as a renter from Ward 1 to urge you against rushing through a vote on the mayor's measure to rollback rent stabilization protections.

To ensure that tenant protections and rent stabilization -- a hard won measure at the ballot box in 2021 -- receives fair treatment by the city council, **I urge you to stay over a vote on the rollback to rent stabilization until after Ward 4 has an elected CM.**

Moving forward with the vote, likely to be close with the mayor as a potential tiebreaker, with an unelected interim CM undermines our local democracy and prioritizes expediency over the ballot box.

From Ward 1,
Jordan
