It looks like 2 files were sent and loaded. Didn't notice until 1658 Juliet called this morning, I thought it was just at 1323 Payne. I will look to see what addresses have duplicates.

Hello all,

It seems like most of the costs in this assessment roll are being charged double. This is the 2nd person calling about being double billed. The person from 1658 Juliet stated she talked to someone and was told there had been accounting errors on this. Do we need to do resolutions to correct and reduce these fees? If so, TA need to be created.
