Hello Mai

The water was turned off for NON-PAY on 09/06/2019 and was turned back on in the street on 10/17/23. Our notes say property owner turned the water off at 2nd valve in the home after we turned it on in the street

Thanks
Justina

Hi Holly or Justina,
I see that Derek is out. We have a case we are hearing tomorrow and I have an additional question to Derek's response to me below. Can you tell me if water was turned off on or about September 2019 for above property. If so, when? Here is an order DSI inspector issued back in 2019.

Thanks.

I don't see that we shut them off. Currently I am only seeing water is on. Xue Vang is the tenant.

Hi Derek,

Can you tell me if water is still off for above property? We have a Vacant Building appeal on this. Thank you!
