Hello Kerry,

DSI has received an application to add a **Gambling Location** license to the above referenced location.

The business owner/applicant (copied) was informed they needed to submit the attached **Class N License District Council Form and plan** to your organization. I requested they copy me on their email to you. I've not seen such an email.

Can you tell me if they submitted the attached information to your organization? DSI would like to continue processing their application and send the 15-day license public notice.

Thanks,

Jeff Fischbach

Munaye,

DSI Licensing Division has received an application for the addition of a Gambling Location License to your Liquor On Sale License.

You must **submit the attached document via email** (please copy me) **to the following** organization:

District 6 North End Neighborhood Organization – Attn: Kerry Antrim (Executive Director) –
ed@nenostpaul.org

Once we receive confirmation of this DSI can then send the 15-day license public notice. NOTE that this notice could result in the need for a public hearing. After the public notice review is done the City Council will need to review the request.

Let me know if you have any questions.

Thanks,

Jeff Fischbach
