Hi Mr. Donohue,

You may reach out your concern to the Parks and Recreation Dept. Their number is 651-266-6400 and email is ParksCustomerService@ci.stpaul.mn.us We will reach out at our end, too. As to this pending assessment, I can put a file together for the hearing on August 22 to be in front of the hearing officer. It will eventually get deleted as there was no before photos.

This assessment was a mistake, I talked with someone in the your office about the circumstances, it was a large plate glass window that had a been tagged, they used “rust converter” paint which permanently etched the glass. The cost to replace the window was$1,200. I had a sign painter cover the graffiti incorporating the business owners name and logo to hide the graffiti, nobody from your staff touched my building, I communicated the delay to your office in early May of my intention of completing the repairs while waiting to schedule the sign painters. I also understand 2 young men where charge with offenses relating to the graffiti, could you please forward their information so I can file a suit for damages. Or have someone call me?
Thanks,
