Still want it amended. Or will my clarification help aid in her decision?

Mai,

I made the owner come out of the house that day. SPPD was onsite, owner was told to either appeal orders or comply. He wouldn't allow us to clean up anything so I charged him a Trip Charge. David Smith when he was here was supposed to EC the owner every 2 weeks for noncompliance. Whether that happened or not is or was up to his supervisor.

Sean

Hi Ethan or Sean,
Can you confirm if it's done by contractor (although notes said so) or owner because the $225 seems like a trip charge. No payment invoice posted in STAMP. Also, if done by contractor, I don't see AFTER PHOTOS.
