The following inspection request was submitted on 17 Jul 2023 21:49:

Address: 839 Edmund Avenue

Property Type: single-family

Situation Description: Crews were at this address today for a gas leak, nothing found. The home has a posting of no occupancy or condemnation. I left a message through Dispatch via radio to contact DSI and have them call me. I did not hear back. I don't know if the home is clear to reside in.
