Case Narrative

The fire department was called to the report of a fire in a townhome garage. Firefighters arrived and found a fully involved garage. Firefighters evacuated the structure, extinguished the fire and conducted overhaul. Command was terminated and the scene was released.

Occupant stated that he was burning some incense on a plastic garbage can. he went inside of the house and a short time later the garage was on fire. The garage door was open.

Investigation found a townhouse that had a fire that started in the garage and extended to the upper floors. Smoke and fire damage noted throughout the entire unit.
