11. No Build Covenant. The Owners of Lot 1, Lot 2, and Lot 3 hereby agree, for themselves and their respective successors and assigns, that the Lot 4 Utility Easement Area and the Lot 5 Utility Easement Area are hereby also designated as “No Build Areas” (collectively, the “No Build Areas”) and that no buildings or other structures shall be constructed, operated, or maintained in such No Build Areas.

12. Conditions and Restrictions. An Owner of a Burdened Parcel shall not (i) erect, construct, install or maintain (or permit to be erected, constructed, installed or maintained) any building, other structure, or obstruction of any kind in, on, under, over or upon an Easement Area or No Build Area; or (ii) change the grade of an Easement Area or No Build Area by more than 12 inches without the prior written consent and authorization of the Owner of the Benefited Parcel that benefits from the applicable Easement Area or No Build Area, which authorization may be granted or withheld in the sole and absolute discretion of the Owner of such Benefited Parcel. For avoidance of doubt, and notwithstanding anything herein to the contrary, the Owner of a Burdened Parcel may install decorative landscaping in a Utility Easement Area or a No Build Area without the prior approval of the Owner of the corresponding Benefited Parcel but such Owner of a Benefited Parcel’s restoration obligations under Section 15 hereof shall not require repair or replacement of any landscaping elements other grading, grass and turf.

13. Perpetual Easements. The term of each Easement granted hereunder shall commence on the Effective Date and shall continue indefinitely thereafter unless terminated by the Parties in writing. This Declaration and the rights granted herein shall burden the Burdened Parcels and benefit the Benefited Parcels and bind the present and future Owners thereof. In the event portions of a Parcel become conveyed to or owned by multiple parties, each shall be deemed to be the successor in title to the prior Owner for purposes of this Declaration and shall be bound by and entitled to the burdens and benefits herein established for the portion of such Parcel owned by such successor.

14. Parcel Owners’ Use of Easement Areas. The Utility Easement Areas, the Driveway Easement Area, the Access Easement Areas and the Sign Easement Area shall be referred to herein, collectively, as the “Easement Areas.” The Owners of each Burdened Parcel reserve the right to use the Easement Areas located on such Burdened Parcel for any lawful purpose that is

not inconsistent with, and that does not unreasonably interfere with, full exercise and enjoyment of the Easements located thereon by the Owners of the Benefited Parcels.

15. Restoration. In the event the use by the Owner of a Benefited Parcel, or any of its agents, guests, invitees, tenants or contractors, of an Easement Area hereunder results in any damage to a Burdened Parcel, the Owner of such Benefited Parcel, on its own behalf and on the behalf of any of its contractors, agents, guests, tenants or invitees will, at its sole cost and expense, restore the damaged Parcel to substantially the same condition that existed prior to such use. In the event an Owner fails to restore a damaged Parcel as set forth herein, and such failure continues after the Owner of the damaged Burdened Parcel provides the corresponding Benefited Parcel Owner with notice and ten (10) days to cure such failure, then the damaged Burdened Parcel Owner shall be entitled (but shall not be obligated) to perform such restoration and to recover the cost thereof from the Owner of such Benefited Parcel. The terms of this Section shall survive the expiration or earlier termination of this Declaration.

16. Maintenance and Repair of the Easement Areas. Except as provided in Section 9 or otherwise herein, the Owner of any Parcel on which an Easement Area or No Build Area exists shall be responsible for the maintenance of such Easement Area and / or No Build Area and shall keep the Easement Area in good condition and not in need of repair.

17. Encumbrances. The Owner of any Parcel benefitted by an Easement shall not permit anything to be done that will cause the Parcel on which a corresponding Easement Area is located to become encumbered by any mechanic's lien or similar lien, charge or claim. If any mechanic's lien or similar charge or claim is filed against any Parcel benefitted by an Easement due to the Owner of such benefitted Parcel's alleged request for labor or materials, such Owner shall discharge the same of record by a release or bond within thirty (30) days after the filing of any notice of such lien, claim or other charge.

18. Indemnification. The Owner of a Parcel benefitted by an Easement (for purposes of this Section 18, the "Indemnitor") agrees to indemnify, defend, and hold the Owner of the Parcel on which the corresponding Easement is located, and its respective officers, partners, directors, employees, agents, tenants, licensees, invitees, successors and assigns (collectively, the "Indemnified Parties") harmless from and against any and all liability, loss, claims, damages, penalties, fines, costs and expenses, including, without limitation, reasonable attorneys' fees, and for any and all injury to persons or damage to property, that arise from or out of a breach of respective covenants and obligations hereunder and/or Indemnitor's negligence or willful acts or omissions, except to the extent caused by the negligent or willful acts or omissions of the Indemnified Parties.

19. Transferability and Assignment. The Easements and any other rights conferred by this Declaration, are intended to and do, constitute covenants that run with the land and shall inure to the benefit of and be binding upon the Owners and their respective grantees, heirs, successors and assigns. Each Owner has the right to assign its rights and obligations under this Declaration to any related-party or third-party acquiring the respective Owner's Parcel without any other Owner's consent and without releasing such Owner from the provisions hereof.
