Hello Darryl Hall,

You are scheduled for Tuesday, February 4, 2025 hearing via teleconference call between 10AM-noon. However, the hearing officer review this assessment appeal and recommends deletion of the fee because there was not a vehicle abatement issued by the inspector on June 28, 2024 as indicated in his notes. I will not be calling you into the hearing tomorrow.

I want to note that there is a current vehicle abatement order issued on 11/27/24 for vehicle with expired tabs parking on grass. On Jan 14, 2025, inspector inspected and the vehicle has not been removed. He sent an excessive inspection letter and bill on 1/14/25. (*This is not related to the assessment above mentioned above*).

Thanks,

Mai Vang
