Hello Darryl Hall,

You are scheduled for Tuesday, February 4, 2025 hearing via teleconference call between 10AMnoon. However, the hearing officer review this assessment appeal and recommends deletion of the fee because there was not a vehicle abatement issued by the inspector on June 28, 2024 as indicated in his notes. I will not be calling you into the hearing tomorrow.

I want to note that there is a current vehicle abatement order issued on 11/27/24 for vehicle with expired tabs parking on grass. On Jan 14, 2025, inspector inspected and the vehicle has not been removed. He sent an excessive inspection letter and bill on 1/14/25. (*This is not related to the assessment above mentioned above*).

Thanks,

## Mai Vang
