Hello. My name is Diane Porter and I live at 1396 Grand Ave, St Paul, MN 55105 just a few doors east of catzen coffee. I have been to this establishment and enjoyed seeing the cats. My problem is the excessive noise the entertainment license would bring to the neighborhood. We have lived in our home for over 50 years and have seen many changes to the neighborhood. Businesses come and go but many neighbors remain. I am in favor of supporting small businesses but they also have to be a good neighbor. Noise carries and having this in our neighborhood would seriously impact our right to enjoy our peace. We live here - they do business here and then leave. I can see no circumstances under which this license would not negatively impact our way of life.
